INTRODUCTION

Welcome to Ganesh Manufacture's Premium Hardware Catalogue – your trusted guide to quality fittings and reliable solutions. This catalogue presents our complete range of architectural and industrial hardware, carefully curated to meet the needs of both residential and commercial projects.

What You'll Find Inside:

- **Tower Bolts:** SS, MS, Aluminium, Designer, and Custom options
- **Hinges:** Ball Bearing, Butt, Piano, Concealed, and Decorative Hinges
- **Handles:** Stainless Steel, Brass, Aluminium – in various styles and sizes
- **Custom Fittings:** Tailor-made solutions as per sample or drawing
- **New Collection:** Recently launched designs and upcoming innovations

Why Choose Us:

- We offer a rare combination of quality, customization, and competitive pricing
- In-house manufacturing ensures consistent quality and on-time delivery
- Flexible order volumes – from small batches to bulk supply
- We respond quickly, understand your needs, and guide you honestly
- Clients across India trust us for reliable products and long-term support

Benefits of This Catalogue:

- Complete and organized product information in one place
- Helps you select the right hardware with clarity and confidence
- Saves time during product selection and procurement
- Includes custom and bulk order options
- Supports quicker, more accurate ordering decisions

Ordering Impact:

Using this catalogue improves order accuracy, reduces back-and-forth communication, and gives you better control over specifications, pricing, and delivery timelines.
